My **u4c** message to *every* executive in the business *world*:

Dear Sir or Madam,

As a Chartered Accountant for 62 years I have developed something *world-unique* that I know from long experience will be of benefit to *all* in the *world* of *business management* from 2023.

I call it '**u4c**' – 'The *world's* **NEW** Excel **C**apability'.

u4c is so *radically new* and *unique* as to be *impossible* to apprise in words or demos.

But *easily* achieved in **3 minutes** for *all* in the business *world* via a YouTube 'search' with:

'Use u4c'

I invite the *world's* **business owners** and their *managements* to take **3 minutes** to view **u4c** on YouTube – and *then* consider which of their personnel they can nominate to bring **u4c** **C**apability and its managerial thrust and benefits to *their* business operations.

Technically, **u4c** *automates* the application of Excel's *arcane* **Advanced Filter Command (AFC)** – the enormously powerful Excel command *shunned* for *decades* by the *entire* business world because of its inherent complexity *when applied manually*.

I *do* recognise that anything as *unique* and *game-changing* as **u4c** will *rightly* have its sceptics.

But to these, I ask that *they* ask themselves or *any* member of their organisation *this* question:

"Have *you* ever heard of the Excel **Advanced Filter Command**?" (**AFC**).

9 out of **10** will answer '**No**' – and this for an Excel command of such *unparalleled* power!

Everything *you* and your *personnel* will need to know about what **u4c** *is* and *its use* and *benefits* is explained on the short '**Use u4c**' videos on YouTube that *anyone* can access in *seconds*.

Full details are available on the **u4c** website at www.u4c4seconds.com.

You and your *personnel* – and *all* in the *business world* – also have the *vital* assurance that **u4c training** credentials are fully accredited by The CPD Standards Office (CPDSO) in London.

With my very best regards,
